

LET'S GO!

Few things push your business forward like fresh, exciting new images! Whether it's just a personal headshot or product photography that puts your business in the most amazing light possible, it feels amazing to freshen up your look, website, socials and more with brand new commercial photography.

Check out our photo packages below and please note that we're always happy to create something custom for you that is a perfect fit for your needs!

Are you an employer with bulk headshot needs? We'll put together a custom quote for you! Typically, each staff person will need a minimum of 10 minutes for headshots.

PHOTO PACKAGES

All photo packages come with fully edited, high-resolution jpg images in a digital downloading gallery and digital and print commercial usage rights. **Any package can be used for products, headshots or branding photography!**

SPARK

\$290

- 30 minutes of shooting time (on location, outside, or inside)
- One outfit/setting

The Spark package is perfect for a quick refresh of your headshots, or a small amount of product that can be photographed using the same set/look.

IGNITE *Most Popular* 🔥

\$475

- 1 hour of shooting time (on location, outside, or inside)
- 2-3 outfits, 2 nearby locations (or more products)

Whether you're starting a business or injecting some fuel into your professional life, the Ignite package is perfect for those who want a variety of looks and a buffer of time for options and comfort.

INCLUDES 1-hour marketing consultation! We'll help you plan your look, the direction and impact of your photo campaign, and more.

BLAZE

\$645

- 1.5 hours of shooting time (on location, outside, or inside)
- 4 outfits, 2-3 nearby locations

Let's make some content, baby! Beautiful headshots, products, and even social content can be created in this mega package that includes not only high-resolution professional images but cell content, as well. Get 3-6 months of content when planned right.

INCLUDES 1-hour marketing consultation! We'll help you plan your look, the direction and impact of your photo campaign, and more.
